Your loved ones use the proceeds for the financial decisions that might otherwise have been overwhelming

A death not only leaves behind loved ones, but also overwhelming financial obligations. And, if you're like most people, you don't have enough life insurance to keep your family afloat if an unexpected death occurs. Give yourself and your loved ones a gift of love – put yourself in Good Hands with coverage from Allstate Benefits.

50%+ say additional living expenses, such as Internet, cable and cell phone costs prevent them from purchasing life insurance.¹

Almost **70%** say required cost-of-living expenses are keeping them from buying some or more life insurance.¹

Without a Life Insurance policy, your family may have to tap into their savings, retirement, or 401(k) to help cover final expenses and everyday living expenses, should a breadwinner die unexpectedly.

Here's How It Works

You choose the coverage that's right for you and your family. With planning, the death benefit can pass to your beneficiaries free from state or federal estate taxes. Consult with your tax advisor for specific information. Then, when life comes to an end, your beneficiary will receive a tax-free death benefit that can be used to help pay for funeral expenses, mortgage payments and more.

With Allstate Benefits, you gain peace of mind knowing your loved ones will receive a financial safety net when you die – think of it as your final gift of love.

Are you in Good Hands? You can be.
